

## Discover Buried Treasure at Spring Lake Winery! January 24th & 25th 2009

How would like to escape winter with a trip to the Caribbean? Well you can do just that and maybe win "Buried Treasure" too, during a special Caribbean Weekend at Lockport's SPRING LAKE WINERY.

On January 24th and 25th, SPRING LAKE will join its partners on the Niagara Wine Trail for a special Caribbean weekend of wine tasting and fun, while adding a few Spring Lake touches all its own.

Spring Lake Winery intern Camille Granchelli

Each wine trail member will feature a different Caribbean theme, offering visitors a commemorative wine glass, a wine tasting, and a chance to win a two thousand dollar vacation from Liberty Travel. All of this for an admission price of just \$20.00.

For just \$10.00 more, you can also participate in SPRING LAKE WINERY'S exclusive TREASURE HUNT...a chance to win an overnight stay at Lewiston's Barton Hotel.

Along with a wine tasting, each TREASURE HUNT participant will receive a key. If that key unlocks the Treasure Chest, the winner will be entered into the Barton Hotel drawing. Even if the key doesn't fit, it's still good for a prize.

So, join the party and enjoy great wine, music by the Caribbean Extravaganza, playing Saturday from 1 to 4pm, and maybe find buried treasure, too.

SPRING LAKE WINERY is located at 7373 Rochester Road in Lockport, and online at [www.springlakewinery.com](http://www.springlakewinery.com).
