

Spring Lake Kicks-off MUSIC BY THE LAKE Series!

Lockport's Spring Lake Winery is announcing a new MUSIC BY THE LAKE concert series, which will feature two big band concerts per month. Like the winery's exclusive VINEYARD EXPRESS excursion trains, these popular MUSIC BY THE LAKE events begin on Sunday, June 14th, and continue the second and fourth Sunday of each month, through October.

Music is provided by the very popular Carol McLaughlin Big Band, and the \$20.00 admission price includes lunch on the grill from 12-4pm. Plus, this season, it's a chance to view the winery's beautiful spring fed lake from a new Lake Overlook area, directly behind the winery's outdoor patio. If you prefer, take a stroll around the lake, while sipping a glass of Spring Lake's fine wines and listening to the music.

This MUSIC BY THE LAKE concert series is also a great way to make new friends, including the folks who come by train on the VINEYARD EXPRESS. They'll be making a stopover for music and lunch, before heading back to their Lockport boarding station.

The VINEYARD EXPRESS, by the way, costs just \$45.00 per person or \$20.00 for children 12 and under and includes a Continental Breakfast and a tour of the famous Medina Railroad Museum. Reservations are suggested at least two weeks in advance for either MUSIC BY THE LAKE or the VINEYARD EXPRESS excursion train.

Along with these special events, Spring Lake Winery is also available for daily wine tastings, as well as weddings and other private parties, including corporate gatherings. In addition, this is the home of the new Premiere Wine Club...the first of its kind in the Niagara Region. Members receive numerous benefits.

Spring Lake Winery is located at 7373 Rochester Road in Lockport and online at www.SpringLakeWinery.com.
