

**Time to “Spin the Bottle” at Spring Lake Winery!
Game is part of Wine Trail HARVEST
FEST!**

The Niagara County winery that brought you the hugely popular “Wine Train” offered something else that’s new and unique to its visitors.

Spring Lake Winery and other members of the Niagara Wine Trail held the 2008 HARVEST FEST on the weekend of September 20th and 21st. The Lockport winery entertained its guests with its own version of a classic game of “Spin the Bottle.”

In this case it was a Wine Bottle that visitors spun on a special game board, as they tried to win a variety of prizes. According to Spring Lake owner Tamre Varallo, those prizes included discounts on bottles of wine, winery tours, Wine Ice Cream, and fresh fall pumpkins.

Along with other members of the Wine Trail, Spring Lake also sold other fresh produce from the region.

HARVEST FEST participants were encouraged to visit all of the participating wineries, where, for \$20.00, each received a wine glass at their first stop, which could be used for wine tastings at each destination.

Spring Lake Winery is located at 7373 Rochester Road in Lockport, where its vineyards and tasting room are complimented by a beautiful spring-fed lake and picnic grove.

The winery offers daily wine tastings and is a popular venue for train excursions, along with weddings and other private gatherings. In addition, Spring Lake Winery further encourages regional tourism through its golf and hotel packages.
